## CITY COUNCIL AGENDA

2/2/26

Agenda Item: G1

---

**Item/Subject:** Discussion and possible action to approve Resolution R-2026-09 calling for and giving notice of the May 2, 2026, general election for the City of Llano for the purpose of electing three (3) Aldermen at large.

**Initiating Department/Presenter:** Kim Wagner, City Secretary

---

**Recommended Motion:** Staff asks Council to approve Resolution R-2026-09 calling for and giving notice of the May 2026 General Election between the City of Llano and contracting with the Llano County Elections Administrator, for the purpose of electing three (3) Aldermen and Mayor at Large for the City of Llano, Texas.

---

**Background/History:** The City of Llano holds general elections every year for the purpose of electing Council members. The election to be held on May 2, 2026, will elect three (3) Aldermen at large. The three Aldermen will each be elected to a two-year term. Llano County Elections Administrator, Andrea Wilson has determined, the County has sufficient amounts of equipment to accommodate the City of Llano, to conduct their general election. House Bill 1 adopted during the 79th legislative session, and Chapter 271 of the Texas Election Code, allowed for independent school districts and other political subdivisions to hold joint elections with a municipality located within the district's boundaries on the May uniform election date.

---

**Findings/Current Activity:** In accordance with Election Code Section 143.006 and 143.007, applications to have the name of a candidate placed on the ballot may be filed with the City Secretary's office, beginning Wednesday, January 14, 2026, at 8:00 a.m. with the last day for a candidate to file an application to have their name placed on the ballot being Friday, February 13, 2026, at 5:00 p.m. The early voting by personal appearance shall commence on April 20, 2026, at 8:00 a.m. and end at 5:00 p.m. on April 29, 2026. Early voting by personal appearance shall be conducted during regular business hours each weekday from 8:00 a.m. until 5:00 p.m., with the exception of April 21, 2026, San Jacinto Day, during the early voting period. The polls shall be open from 7:00 a.m. to 7:00 p.m. on Election Day.

---

The county's costs include the programming, testing, rental of the voting equipment as required by the state, election supplies, and payments to personnel for working the election during early voting and on election day. With other entities contracting jointly with the Llano County Elections Administrator, the expenses of the joint election would be pro-rated between the political sub-divisions having the election. We have \$3,500 budgeted for election costs.

**CITY COUNCIL AGENDA**

2/2/26  
Agenda Item: G2

---

**Item/Subject:** Discuss and consider construction contract with DC Meier for improvements to Robinson Park.

**Initiating Department/Presenter:** Finley deGraffenried, City Manager

---

**Recommended Motion:** Motion to authorize the City Manager to draft and finalize construction scope and timing, and to provide general oversight of the project.

---

**Background/History:** Llano Council approved allocating up to \$26,000.00 to the Llano Parks Project for venue improvements to Robinson Park. Although the Llano Parks Project will be financing the project, the city has agreed to provide oversight and administration of the construction itself. Staff will document the agreed scope and timing of the project and will work with the selected contractor to provide on-site observation of progress. The project will be initiated within the next several weeks.

## CITY COUNCIL AGENDA

2/2/26

Agenda Item: G3

---

**Item/Subject:** Discussion and possible action to approve Resolution R-2026-08 amending the Master Fee Schedule, increasing fees for bulk water.

**Initiating Department/Presenter:** Finley DeGraffenried, City Manager

---

**Recommended Motion:** Based on the volume of bulk water sold, and the relatively minor impact on revenue, Staff would recommend a Motion to increase the bulk water rate to \$0.03 per gallon, or **in the alternative**, take no action maintaining the current rate of \$0.02 per gallon (\$20.00 per 1000 gallons)

---

**Background/History:** At the January 20<sup>th</sup> City Council Meeting Council requested bulk water fees be discussed at a future meeting. The Finance Director reviewed the prices from two cities to the east. Burnet prices water based on Conservation Stage with Stage 1 or 2 priced at \$0.03 per gallon, and Stage 3 or 4 at \$0.06 per gallon. Marble Falls charges a flat rate of \$5.14 per 1000 gallons (\$0.00514 per gallon).

In FY 2024 the city sold 282,400 gallons of bulk water, grossing \$5,648.00. The gross at \$0.05 per gallon would have produced \$14,120.00 (a \$8,472.00 difference)

In FY 2025 the city sold 179,800 gallons of bulk water grossing \$3,596.00. The gross at \$0.05 per gallon would have produced \$8,990.00 (a \$5,394.00 difference)

The hydrant meter fee is currently \$320.00 per month and was proposed to increase to the price of a 3" meter (currently \$357.73 per month). The cost of a hydrant meter is approximately \$1,500.00.

**A RESOLUTION OF THE CITY OF LLANO AMENDING THE MASTER FEE SCHEDULE AND REVISING FEES CHARGED FOR VARIOUS SERVICES AND USES PROVIDED OR OFFERED BY THE CITY**

**WHEREAS**, pursuant to Texas Local Government Code § 51.001, the City Council of the City of Llano, Texas ("City Council") has the authority to adopt, publish, and amend a fee schedule that is for the good government, peace, or order of the City of Llano ("City"); and

**WHEREAS**, the consolidation of fees into a centralized master fee schedule is more convenient for citizens of the City when searching for applicable fees; and

**WHEREAS**, the adoption of fees by resolution allows the City to operate more efficiently; and

**WHEREAS**, the City Council finds that it is necessary and proper for the good government, peace, and order of the City of Llano to amend the Code to create a master fee schedule where said fees are adopted by resolution;

**WHEREAS**, if any section, subsection, sentence, clause, or phrase of this Resolution is, for any reason, held to be unconstitutional or invalid, such holding shall not affect the validity of the remaining portions of the Resolution. The City Council of the City of Llano hereby declares that it would have passed this Resolution and each section, subsection, sentence, clause, or phrase thereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid.

**WHEREAS**, this Resolution shall take effect immediately from and after its passage and publication as may be required by governing law.

**WHEREAS**, it is hereby officially found and determined that the meeting at which this Resolution was passed was open to the public as required and that public notice of the time, place, and purpose of said meeting was given as required by the Open Meetings Act, Chapter 551 of the Texas Government Code.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LLANO, TEXAS, THAT:**

The Fee Schedule of the City of Llano, Texas, is amended as set forth in **Exhibit A**, attached hereto and incorporated herein by reference, such changes to be effective with the passage of this Resolution.

**PASSED AND APPROVED** on this the 20th day of January 2026.

**CITY COUNCIL AGENDA**

1/20/26  
Agenda Item: G4

**Item/Subject:** Discussion and consider costs and fees for the use of City Facilities.

**Initiating Department/Presenter:** Finley deGraffenried

**Recommended Motion:** Council may consider a published fee for inclusion in the Master Fee Schedule and related conditions; or consider case by case review of specific requests; recommend a specific strategy for further input; or take no action on the item.

**Background/History:** Council has directed staff to provide additional background on costs of certain facilities and services in order to provide a discounted base amount to users under certain conditions.

This topic was discussed at the January 6<sup>th</sup> and 20<sup>th</sup> meeting. At the January 20<sup>th</sup> meeting, Council inquired regarding the number of groups that are currently receiving a discounted rate. The Finance Director indicated groups receiving the JLK for a discounted/waiver of fees were the Quilts of Honor, Friends of the Red Top Jail, and the Llano County Jr. Livestock Association. Staff understands a Power Lifting event was held once at the JLK for no charge. The city has also waived LanTex rental fees for the LISD.

Other ideas related to use of the JLK and LanTex included the creation of a committee of stakeholders to broaden input, and to discuss ways for cost recovery and acknowledge in-kind donations. It was also suggested that a pre-and-post event meter reading could be used to calculate utility costs.

In addition to identifying a base amount charge, Council may also consider the *conditions* that warrant the discounted rate, i.e. 501(c)3 Corporation, Youth Serving, or City Serving. Council should also consider latitude for future decisions.

There is a minor, albeit undetermined impact to the Operating Budget.

# **Agreement**

## **Between the Llano Economic Development Corporation and the Llano County Junior Livestock Show Association**

The Llano Economic Development Corporation (hereinafter referred to as LEDC), owner of the property identified as the John L. Kuykendall Arena & Events Center (JLK Arena & Events Center), does hereby agree to recognize and hold in reserve the exclusive use of the JLK Arena & Events Center by the Llano County Junior Livestock Show Association (LCJLSA) for the dates and associated events listed below:

- January – second Saturday weekend (including Saturday pre-event through Sunday post-event) for the Llano County Junior Livestock Show event
- September – second Saturday (including Monday pre-event through Sunday post-event) for the Wild Game Dinner event

It is also further agreed and understood that the Texas A&M Agrilife Extension Service shall have use of the JLK Events Center for any educational related activities and 4H & FFA related activities at no charge.

For the purposes of this agreement, the facilities at the JLK Arena & Events Center are further defined as 1) the Arena, 2) the warm-up area, and 3) the JLK Events Center. It is agreed and understood the LCJLSA will have exclusive use of the warm-up area and the Events Center; and the Wild Game Dinner will have exclusive use of the Events Center at no charge.

This agreement to recognize and reserve the dates of use by the LCJLSA as set forth hereinabove is hereby renewed annually without a requirement of notice, subject to the prescribed dates. Should the LCJLSA, in subsequent years, require changes to those dates, it agrees to provide written notice to the LEDC of such changes a minimum of nine (9) months in advance of the date(s) reserved hereinabove.

In its use of the JLK Arena & Events Center facilities as recognized and reserved hereinabove, the LCJLSA agrees to conduct its operations subject to the terms and provisions of the LEDC's Operating Agreement of the JLK Arena & Events Center between the LEDC and its operator.

Termination of this agreement is subject solely to the mutual agreement of the parties to this agreement.

Terms and provisions of this addendum shall be binding as to all successor entities and assigns of ownership and/or operators and operations of the JLK Arena & Events center subject to the Operating Agreement. Successor entities to the LCJLSA will be subject to the approval of the LEDC and/or their successor entities and assigns.

City Council Agenda

Date: January 20, 2026

Agenda Item: G5

Item/Subject: Discuss and consider terms and benefits of a Firm Water Contract between the City of Llano and the Lower Colorado River Authority (“LCRA”)

Department/Presenter: Finley deGraffenried

Recommended Motion: Consideration of a motion to move forward with a Firm Water Contract, and to place the draft Water Conservation Plan (“WCP”) and Drought Contingency Plan (“DCP”) on the February 16, 2026, Council agenda for consideration as a prerequisite.

***In the alternative***, Council may consider a motion to cease negotiation with LCRA on a Firm Water Contract and to postpone future consideration of the draft WCP and DCP.

Background/History: On January 6th, under discussion of the City’s updated Water Conservation Plan and Drought Contingency Plan, the City reviewed requirements of the Plans in relation to the future consideration of a Contract for Firm Water from LCRA. At that time, Council requested additional clarity on the conditions, benefits and obligations of a Firm Water Contract.

Staff has discussed the matter with Water Division staff from LCRA and have provided a list of questions and scenarios. Staff have also invited LCRA staff to the meeting on February 2nd, if deemed beneficial, or any future meeting.

Due to the number of questions presented, and their need to discuss over multiple departments, LCRA was unable to respond for the January 20<sup>th</sup> meeting, however, provided the attached email for discussion on February 2<sup>nd</sup>.

Findings/Current Activity:

Before accepting and executing a Firm Water Contract with LCRA, the City must approve updated WCP and DCP.

Financial Implications:

Estimated cost for Firm Water in FY 2026 is \$80,355.00

**Subject:** RE: Firm Water Conditions (City of Llano)

Finley,

Good morning. We've reviewed your questions and have the following feedback.

Texas follows the concept of prior appropriation, with junior water rights having access to water only after demands of senior water rights are met. The Texas Commission on Environmental Quality (TCEQ) administers water rights in Texas and, in times of shortage, has the role of issuing priority calls as needed to cut off junior water rights to protect senior water rights. Priority calls apply to flows in the river and do not apply to previously stored water.

The City holds water rights with 1914 and 1956 priority dates. Those water rights are junior to numerous major water rights held by LCRA and the City of Austin, among others. As a result of the junior nature of the City's water rights relative to other major water rights in the Colorado River basin, recent Regional Planning work identified a water supply shortage for the City of Llano when assessing reliability of water rights in priority order. *(That shortage might happen in current or future decades.)*

The proposed contract with LCRA would allow the City to capture and use flows in the Llano River rather than be subject to passing those flows downstream to meet the demands of LCRA's existing and future customers.

Furthermore, if the City seeks to increase its storage capacity, an additional water right authorization will be needed from TCEQ. As part of permitting for a storage increase, TCEQ will note that there is no unappropriated flow available and will identify the necessity of the City contracting with a senior water right holder to offset the impact of the added storage on flows in the river.

The City's Drought Contingency Plan was last updated in 2024 and includes various stages and drought response measures such as irrigation of landscapes no more than once or no more than twice weekly (depending on drought stage). The triggers for implementing these measures do not match the triggers in LCRA's DCP. LCRA expects the City's DCP will be updated when obtaining a contract with LCRA, with the primary changes to be syncing the City's DCP triggers and target reduction goals to match the triggers in LCRA's DCP and adopting a permanent watering schedule of no more than twice a week. The City's draft DCP meets LCRA's requirements.

Thanks,  
-Gabe

Hi Finley,

Just wanted to let you know that I received your voicemail about moving the LCRA item to Feb 2<sup>nd</sup>. Also, I had passed your questions around to a couple different groups here at LCRA for their comment. As soon as I get their feedback, I will let you know.

Thanks,

Thanks for the call last week regarding the City's proposed and potential Firm Contract ("Contract"). As we discussed, I wanted to have some clarity on the possible impact of the Contract depending on hypothetical conditions. I'd like to know how the Contract would be administered based on the strict and/or practical application of the terms. The City's primary Certificate of Adjudication ("right," or "water right") has a priority date of 1914. If possible, please provide input on the following scenarios:

- Without a Contract, the City assumes if no senior, downstream call is made on the City's water rights. Could the City maintain the same levels of storage, capacity and diversion as they are currently allowed. If the lakes are actually storing more water than our water right, could a senior right holder compel the City to release water without a call? I assume the Contract would not have any impact on the City's water right.
- Without a Contract, the City assumes during periods of drought, providing the City followed its Water Conservation and Drought Contingency Plans, no other actions regarding water storage or release would be required?
- Without a Contract, in the event of extreme drought, and a call is made by a senior right (LCRA or City of Austin), *and* the Llano River at Llano was at 0 cfs flow and the Llano River at Mason was 0 cfs flow, we assume the City would not have to release water?
- If the City had Contract, and a senior water call was made, and our lakes were depleted, and the flow was 10 cfs at Mason, could the City withhold, not release, the incoming flow, up to the Contract amount to restore our storage? In the alternative, if the City did not have a firm water contract, would we be required to release an amount equal to the incoming flow?
- If the City had a Contract, we assume the City would not have any relief, in terms of the Contract, if the City's water storage was depleted.
- Although outside your purview, my experience is TCEQ will normally determine a priority date when a call is made with more senior rights protected from junior rights. For example, when DOW Chemical made a call on the Brazos basin, TCEQ determined all priority dates earlier than 1960(?) were to be impacted. Is it foolish to think the City's Right would be somewhat protected if TCEQ were to make a similar determination?

Really, we are trying to understand the practical advantages of a Contract. We understand it does not help us if there is no water, nor water flow, but what other benefits does it provide, if any, other than allowing us to withhold release of water, up to Firm amounts, to restore our storage.

Sorry if it's not easy to follow my thinking, and I'm open to a call if that's helpful. Our next meeting is scheduled for January 20<sup>th</sup> and I was planning to update Council on my findings. LCRA is welcome to attend then, or in the future, if you think it might be helpful.

Appreciate your help,

Finley

Re: Manager's Report  
Date: 29 January 2026

- Plummer Based on Council discussion on January 20<sup>th</sup>, staff reached out to Plummer Consulting regarding their quote to include additional data in their deliverables. Their quote included revisions to the draft Water Conservation Plan ("WCP") and totaled \$18,000.00. When the proposal was received, staff understood inclusion of the additional data would require more work than additional assumed. The Scope indicates a process that includes many of the initial steps required for the update, but for a five-year plan. Staff will communicate any further information received from the contractor at the meeting.
- Water Use Cara Hewitt, Finance Director, has confirmed that future water use by City entities will have costs allocated based on use. The allocation should be budget neutral with expenses matching water revenue. Staff will also notify users of costs associated with use of water to create greater accountability and transparency.
- HPB The Llano Historic Preservation Board ("HPB") met on January 29<sup>th</sup> to consider 2 cases within the Historic District. The Board affirmed both cases met the HPB Design Standards including the addition of a second story on an East Main Street business and the inclusion of an advertisement/marketing kiosk within a door frame on a West Main Street business. The Board also workshopped additional inclusions and amendment to the Historic Preservation Ordinance.
- Sandstone Staff have been working on traffic control and barriers for West Sandstone and Flag Creek funded in part by a grant from LCRA. Unfortunately, the barriers could not accommodate the width of pavement and could not completely isolate the low water crossing from traffic. Staff continues to investigate options including built to spec swing gates, and other manufactured gates.
- Bessemer The City has been approached by a business prospect regarding the conveyance of ROW on the west side of Bessemer/Hwy 16. TxDOT has field verified their ROW from centerline, and the subdivision also included dedication from the original developer on Bessemer. Staff will review City procedure and statutory requirements with the City Attorney and place the item on a future agenda, timed at conveyance of the property.
- Work Plan Staff seeks any additional comment or correction to action steps of the Draft Council Work Plan. The item will be placed on the February 16<sup>th</sup> Agenda for further discussion, with an option for adoption. Staff will distribute the draft Plan prior to the meeting.
