feet (200') of the property in which the change in classification is proposed. The notice shall be served by its deposit in the municipality, properly addressed with certified postage paid, return receipt requested in the United States mail. Before the 15th day before the date of the hearing, notice of the time and place of the hearing must be published in an official newspaper or a newspaper of general circulation in the municipality. Before the 20th day before the date of the hearing, property subject to zoning action will be posted with notice of the time and place of the Planning/Zoning hearing and the time and place of the City Council hearing. Sign shall be a minimum of 18" x 18" and posted to be visible from frontage street. Sign shall state in a minimum of 2" letters, **CITY OF LLANO NOTICE OF PUBLIC HEARING.**

Specifics regarding time, place and content of the public hearing shall be in at least 16-point type below. Notice shall include City staff contact and phone number if additional information is required. Changes in the ordinance text which do not change zoning regulations and/or zoning district boundaries do not require written notification to individual property owners. Notices for the public hearing for changes to the ordinance text before the City Council will also be published at the same time notice of the Planning and Zoning Commission meeting is published but before the 15<sup>th</sup> day before the date of the hearing, notice of the time and place of the hearing must be published in an official newspaper or a newspaper of general circulation in the municipality.

**Commission Consideration and Report is as follows: The Planning and Zoning Commission, after the public hearing is closed, shall prepare its report and recommendations on the proposed change stating its findings, its evaluation of the request and of the relationship of the request to the Comprehensive Plan. In the event a motion cannot be passed, either recommending approval or denial, due to a tie vote, the Planning Commission may by motion defer the matter to the next scheduled Planning Commission meeting for consideration or may pass a motion to refer the matter to City Council for consideration. In the event of referral to City Council, Council may approve the change or amendment with a 2/3 vote. The Planning and Zoning Commission may defer its report for not more than ninety (90) days from the time it is posed on the agenda until it has had opportunity to consider other proposed changes which may have a direct bearing thereon. In making its determination, the Planning and Zoning Commission shall consider the following factors:**

**A. Whether the uses permitted by the proposed change will be appropriate in the immediate area concerned and their relationship to the general area and the City as a whole.**

**B. Whether the proposed change is in accord with any existing or proposed plans for providing public schools, streets, water supply, sanitary sewers, and other utilities to the area, and shall note the findings.**

**C. The amount of vacant land currently classified for similar development in the vicinity and elsewhere in the City, and any special circumstances which may made a substantial part of such vacant land, unavailable for development.**

**D. The recent rate at which land is being developed in the same zoning classification as the request, particularly in the vicinity of the proposed change.**

**E. How other areas designated for similar development will be, or are unlikely to be, affected if the proposed amendment is approved, and whether such designation for other areas should be modified also.**

**F. Any other factors which will substantially affect the health, safety, morals, or general welfare.**
